

American Lincoln Parts

American Lincoln Parts - Presently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the business they are recognized within the industry as providing durable and strong equipment that meets all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nationwide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These kinds of scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to provide warranty service, machinery and components for these scrubbers which have both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility managers where efficiency and results make a difference. Recently, this floor scrubber model has been used by the architects in various construction projects like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on site because of the model's excellent quality and supreme performance level for polishing concrete.
