

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over 60 years combined experience with effectively designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are committed to offering top quality and new design concepts in order to meet the diverse needs of their clients.

TREK Cleaning Machines continually provides fresh design concepts as proven in their product development. They enjoy providing products which energize both their partners and their dealers and offer production gains to their customers.

The team at TREK likes dealing with new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' skills and needs combined with their understanding of cleaning applications, along with owners' strong desire to dramatically lower expense through productivity gains.

When needed, the staff members within TREK and its several dealer members in both parts and in technical support will be obtainable. One of their core values is their high service commitment in their customer service. Keeping their clients' cleaning machines ready and running daily is top priority. The company's top of the line technology delivers dependable machinery that ultimately lowers your cost of cleaning. The service, the product and the price all work as one to make them the leader in the industry.
