

## Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how tedious it will be to clean up your very own house right after throwing a large party, with out aid from cleaning equipment. Before, the time upholstery and carpets had the dust beat out of them manually; brushes, brooms and cleaning cloths were the leading cleaning materials of that time.

The man who founded Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who really liked to work on electrical motors. After founding his company during 1906, he began to produce motors to drive fans, machine tools, drills and coffee grinders. Mr. Fisker's vision from the beginning was to own an international business selling goods globally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner that could be operated by a single individual since it only weighed 17.5 kilos! This creation came in a time where various cleaning equipment were massive and needed 4 or more operators, hence, the Nilfisk C1 transformed everything and developed the manner we clean forever. The mastermind behind these very first cleaning equipment remains unparalleled. Cleaning machines provide an excellent solution to an ongoing crisis; things get dirty and should be cleaned regularly, without too much effort.

Slowly, the company Nilfisk-Advance developed throughout the years. In the early 1980's the company grew fast when the business became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance forward within the industry, aspiring to be an active worldwide player in producing professional cleaning machines. Nilfisk-Advance is currently represented in all parts of the world by gradually acquiring lots of small companies so as to expand their product range and presence in new markets. They are really proud to offer a variety of cleaning solutions to meet each requirement.
